QUOTA INTERNATIONAL INC.

About Us

Quota International is a non-profit organization empowering women, children, the deaf, hard-of-hearing, and speech-impaired in local communities around the world. Founded in 1919, Quota International is one of the oldest international service organizations for women. Today, more than 5,600 Quotarians are changing lives in 269 communities in 12 countries.

We Share

Quota's motto is "We Share". Quota members form life-long friendships, working to serve others through their local clubs giving back through outreach and fellowship opportunities.

Hundreds of thousands of hours and over \$1 million every year are donated by members to local and international services.

We Share Foundation

The We Share Foundation supports Quota service around the world. The Foundation supports and guides Quota clubs and members as they implement charitable works in their own communities. In addition, the Foundation provides a safe and trustworthy way for donors to support Quota's life-changing efforts.

Hand-in-Hand: Changing Lives in Developing Countries

Quota's award-winning World Service Program since 1983, Hand-in-Hand, allows caring people around the world to support viable service projects in developing countries—projects run by local Quota clubs who understand the specific and often dire needs of their own communities.

Our efforts change lives through "hand-in-hand" support by other Quota clubs and individuals who care throughout the world. Every cent donated reaches its intended project target. The We Share Foundation keeps nothing for overhead costs.

Projects are reviewed and selected for program inclusion every two years. The We Share Foundation's annual reporting requirements ensure that your generous donations provide effective support for real people in desperate need.
