Message from President Jacque

Hi everyone

Welcome back Janet - we are all looking forward to seeing you and hearing about your travel adventures! We look forward to seeing you again too, Ana. And we wish all our travelers safe and happy travels and look forward to your return and hearing about your travel adventures! Thank you Fay for your Facebook entries with such stunning photos.

For those of us who will not be away, we can travel to Rotorua and join them at their Spring Into Summer Fashion Show on Sunday 24 September and / or attend our Region 21 Get Together on Sunday 29th October. Do let me know if you are interested in attending any or both of these events so we can make arrangements about travelling.

I see that International Convention registrations are now open if you'd like to be well organised and an "Early Bird" registrant.

See you on Monday.

Jacque

Loud Shirt Day is coming ...

September 29th is Loud Shirt Day and you are invited to wear your bright and/or loud special outfit to the Meeting next week: A chance to brighten up this wintery weather and help the children at The Hearing House and the Southern Cochlear Implant Programme.

11th September is the anniversary of the Chartering of our Club in 1999. This makes us 18 years old.

Charter members, still current members, are Lorraine Wright, Glenice Stevens, Pam Carr and Lyn McKenzie.
